The Honorable Rosa DeLauro
Chairwoman
House Committee on Appropriations
H-307, The Capitol
Washington, DC 20515

The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
H-307, The Capitol
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Connecting Enrollment to Career: Enhancing 21st Century Technology for Statewide Community College project in fiscal year 2022.

The entity to receive funding for this project is the Community College of Rhode Island, located at Knight Campus, 400 East Avenue, Warwick, RI 02886.

The funding would be used for the development and deployment of a constituent relations management (CRM) tool to connect dozens of learning and student-support systems. A CRM system will provide the college and its constituents an integrated 360 degree view of student engagements across its platforms. This technology will allow CCRI to serve students and alumni in the way that is most important to them—making CCRI much more responsive to the needs of Rhode Islanders and the State by accessing real-time and coordinated data with an emphasis on student retention and completion.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

James R. Langevin
Member of Congress
